
33rd Sunday in Ordinary Time ~ November 13, 2022

THE TIME HAS COME!

Many Jews in the first century anticipated the "Day of the Lord" or Doom's day. John the Baptist had preached its nearness. There was a debate over the exact nature of this event and its imminence.

Jesus warns his followers not to become unduly upset over it. He urges them not to be worried over the signs that were said to presage it. He clearly teaches that the "Day" would not bring the destruction of the world, but the conclusion of the pre-Christian era.

DEO GRATIAS SPECIAL COLLECTION

We are grateful to God, and to our retired clergy in the Diocese of St. Catharines who, from the time of their ordination, have cared for us and our spiritual needs. In thanksgiving to God for them and their years of faithful service, your generous support of the Deo Gratias collection will enable us to care for those who have dedicated their lives to caring for us.
